Scoring Your Mood

- Add up all the numbers you circled in the **SHADED** rows: _____
- Add up all the numbers you circled in the **UNSHADED** rows: _____
 - If your **SHADED** score is higher than your **UNSHADED** score, you are feeling more positive than negative. If the **UNSHADED** score is higher, you are feeling more negative.
 - Most people can experience different feelings at the same time. For example, you might be both nervous and excited about doing something new.
 - The larger the number for either score, the stronger your feelings at that moment.
