

NAME _____ DATE _____

Tally the responses people give to the Community Survey – Questions.

	PERSON 1		PERSON 2		PERSON 3		PERSON 4		PERSON 5		PERSON 6		PERSON 7	
	A	B	A	B	A	B	A	B	A	B	A	B	A	B
1														
2														
3														
4														
5														
6														
7														
8														
9														
10														
11														
12														

Total A responses = _____

Total B responses = _____

CAREER CORNER

COMMUNITY PLANNERS help shape the physical, social, geographic, and economic elements of their community. They may survey community members to identify priorities, and work in teams to draft and carry out plans.
