10. Who will do the work?

11. How will the project benefit the community?

EXPECTED RESULTS

12. What result do you hope to achieve?

13. How will you know whether the project was successful?

CAREER CORNER

PROJECT MANAGERS work with team members to successfully complete projects. They determine a project's scale, plan its budget and schedule, manage communications, and carry out other tasks needed to deliver results. For information about other forest careers, see Explore Green Jobs at plt.org/workforforests.
